REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Edisto Primary School is a "Jewel of a School," where "Good Character Comes From the Heart," and a place where "Good Things Happen." The administration, faculty, staff, volunteers, students, parents, and community members work together and strive for academic excellence and for improved academic success. The school has continued to receive an "Excellent" rating on the state report card since the onset of this statewide reporting system.

Edisto Primary School has received accreditation for the past thirty-seven years through the Southern Association of Colleges and Schools. The school is currently accredited through SACS.

The educational program of the school has been enhanced by the literacy coach for the past two years. This, along with the science coach, has resulted in improved instruction and assessment of students, more hands-on activities for the students, and has increased the amount of community and parental interest and participation. With the addition of the literacy coach, teachers have received increased assistance on a regular basis. Students have benefited from the additional assistance in the areas of reading, writing, and language.

MAP (Measures of Academic Progress) assesses students three times during the school year, and the data received by this assessment drives instruction on individual instructional levels. With the addition of this targeted instruction, the school has experienced greater improvement in reading and math and language.

Monthly family/parenting nights, programs provided by each grade level at the school, attendance at conferences and home visits have strengthened the partnership with parents and the community. The administration, faculty, and staff realize the importance of home/school/community relationships and will continue to strive to strengthen them even more during the next school term.

The school continues to face challenges of improving test scores, motivating students to achieve to their fullest potential, and working with parents on attendance. Edisto Primary School happily embraces this challenge and looks to the future with confidence.
